

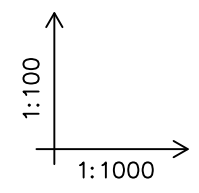

Diagram illustrating the A91 section from Livellet to G.R.A. The diagram shows a horizontal line representing the road, with various markers and data points. Above the line, 'A91' is written with a left-pointing arrow, and 'G.R.A.' is written with a right-pointing arrow. Below the line, there are four rows of data: 'LIVELLETT', 'DIS. =', 'p. =', and 'PROGR. LIVELLETT'. The 'DIS. =', 'p. =', and 'PROGR. LIVELLETT' rows have numerical values at two points along the road. The first point is marked with a black dot and the second with a black circle. The values are: DIS. = 359.02 and 359.02; p. = 0.16 and 0.16; PROGR. LIVELLETT 0.000455 and 0.000455. The road is flanked by green areas representing vegetation.

Point	DIS. =	p. =	PROGR. LIVELLETT
1	359.02	0.16	0.000455
2	359.02	0.16	0.000455
