

Legenda

An aerial photograph of a residential neighborhood. A red line is drawn on the map, starting from the top right, moving left, then down, then left again, and finally down towards the bottom right. The line appears to follow the edge of a property or a specific area. Several yellow markers, which look like small squares or flags, are placed along the red line and in other parts of the map. The map shows various buildings, streets, and green spaces. The overall layout suggests a planning or surveying project.
